WORKSTATIONS

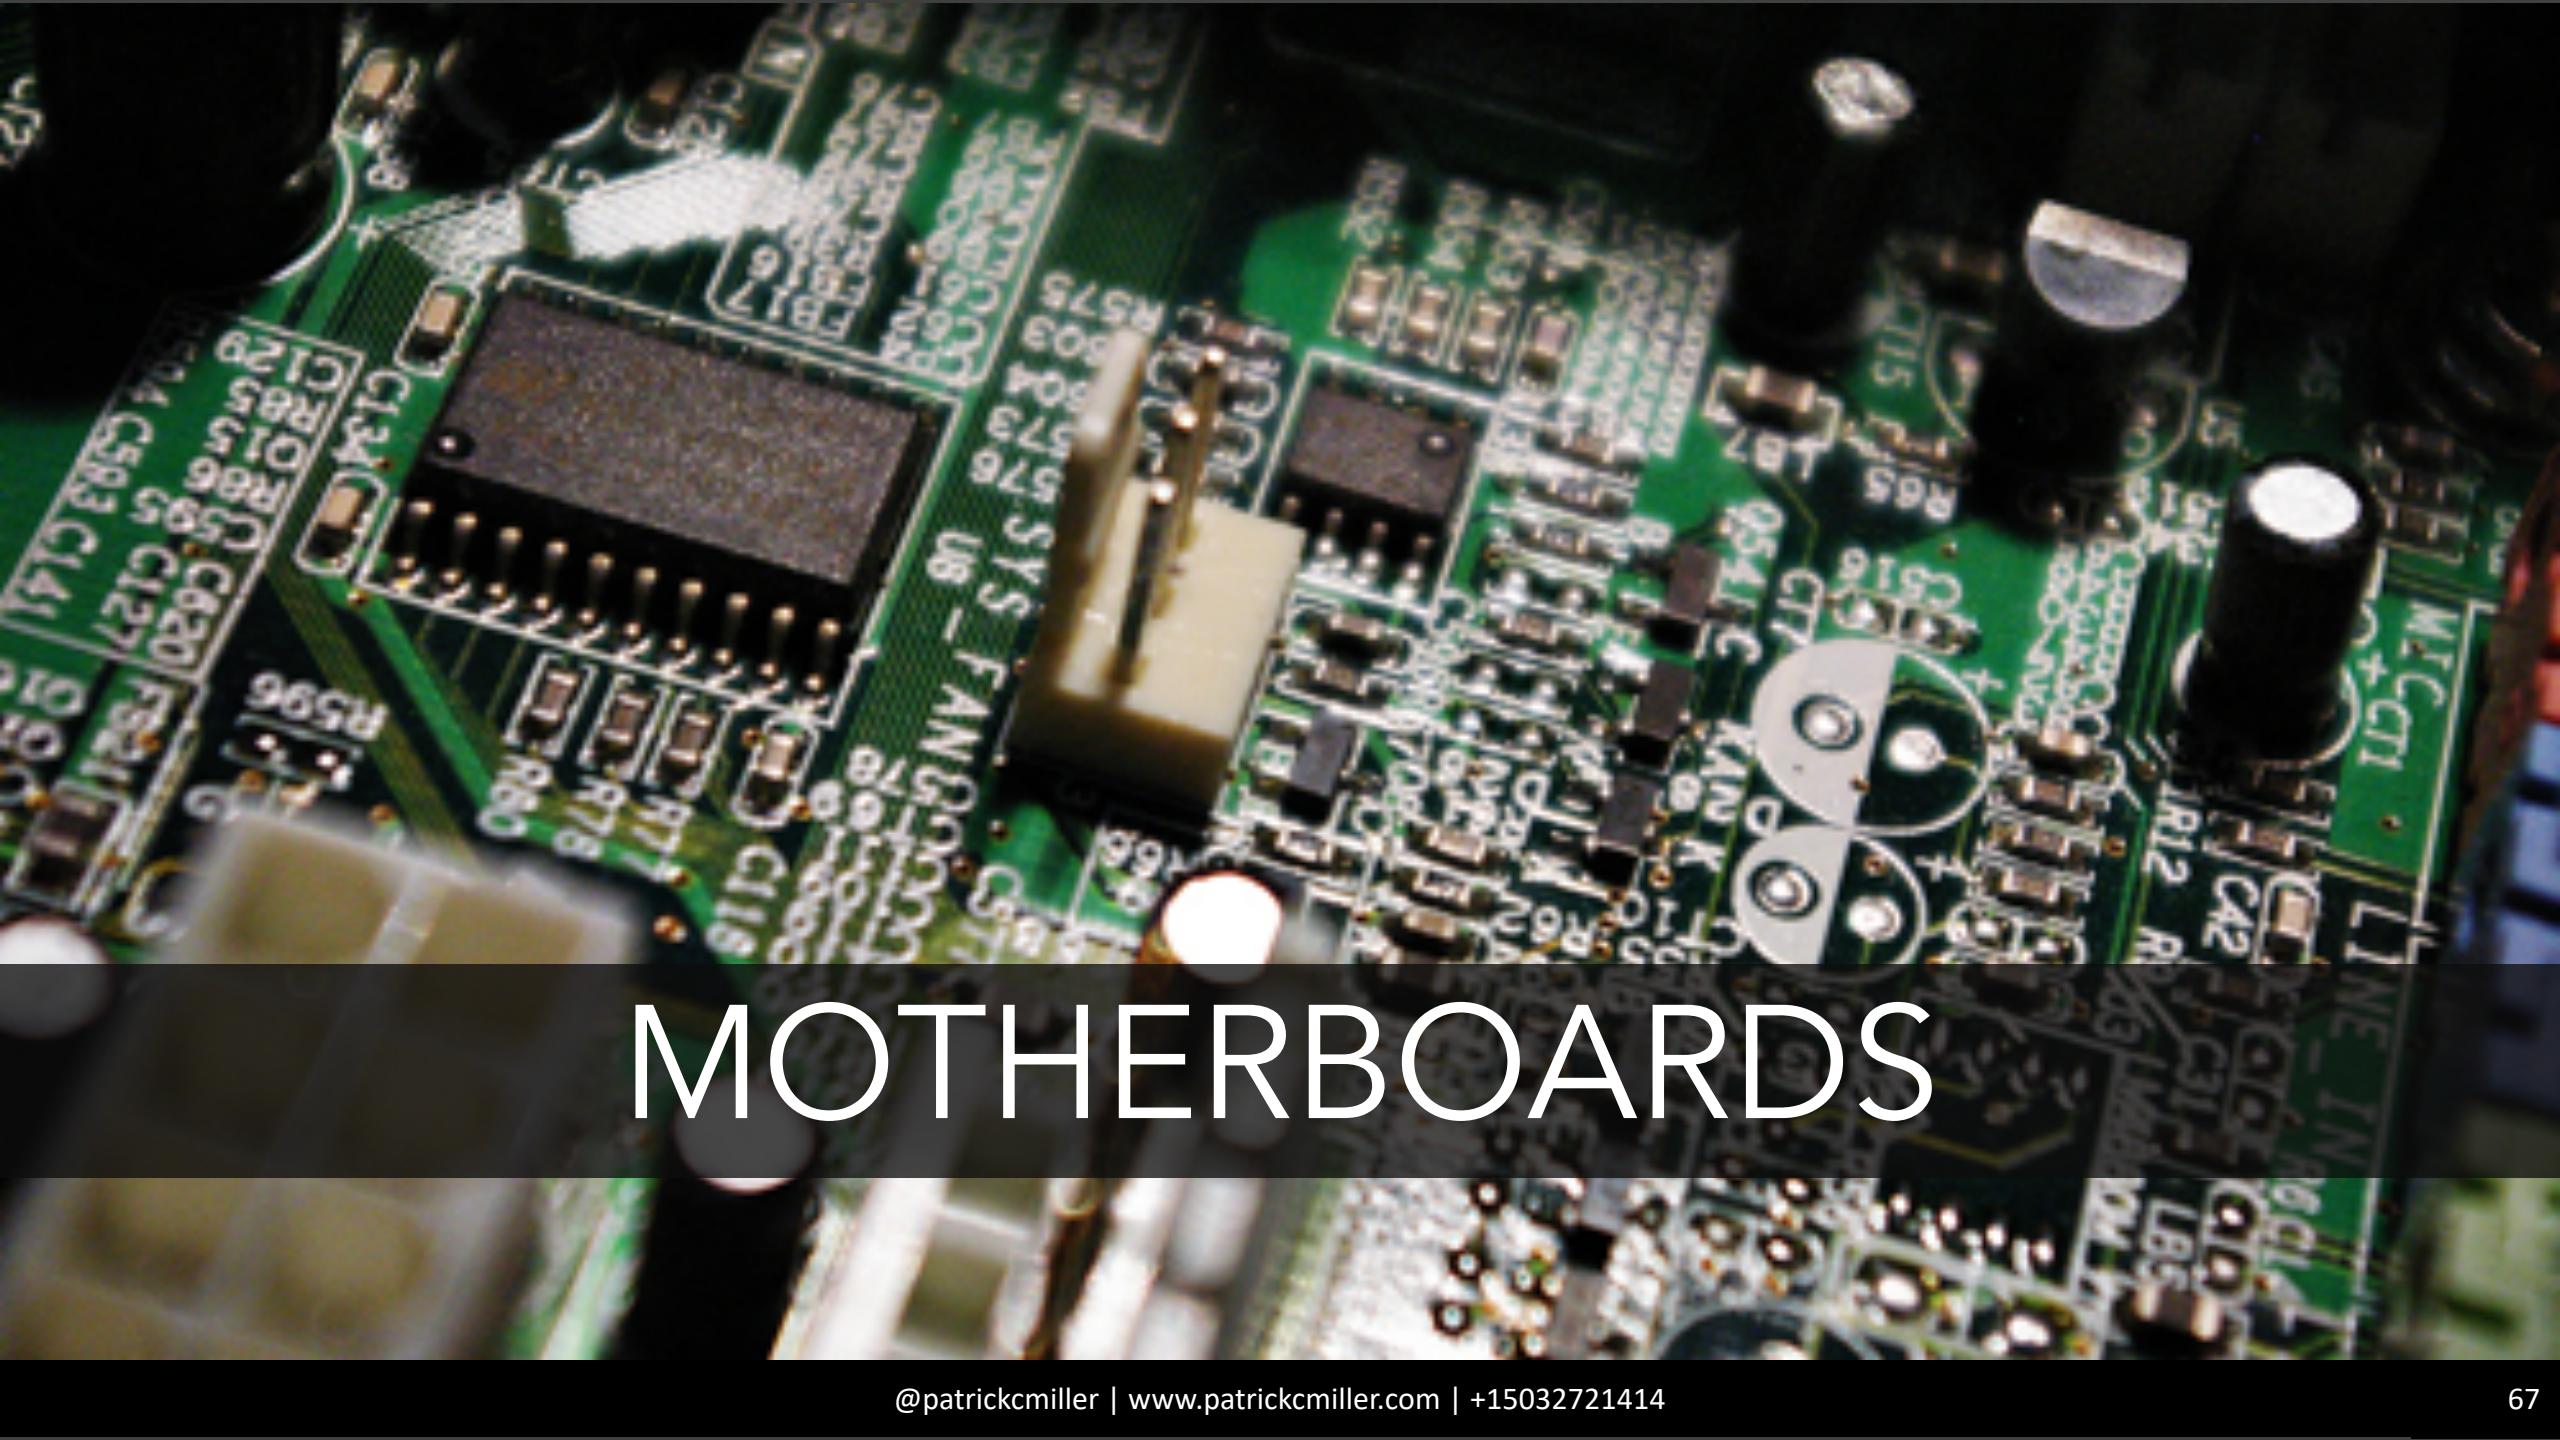

A collage of images related to workstations. It includes a close-up of a computer monitor's edge showing ports, a white keyboard, and a large, tangled mess of various colored cables (black, red, yellow, blue) and connectors, likely representing the internal or external connections of a workstation computer.

A photograph of a server rack filled with hardware and cables. The rack contains multiple server units, each with a label indicating its function. The labels visible include "HDD 12TB", and "HDD 12TB". Numerous blue and white network cables are plugged into the servers, creating a complex web of connections.

SCHOOLS

A photograph of a classroom interior. In the foreground, there are several rows of wooden desks and black metal chairs. The desks are arranged in a grid pattern, facing towards the front of the room. In the background, there is a large chalkboard on the right wall, which has some faint markings or drawings on it. To the left, there are windows with white frames. On the far right wall, there is a large, colorful mural depicting a landscape with trees and possibly a figure. The floor is made of light-colored wood planks.

POLICE

A close-up photograph of the front of a red fire truck. The truck has a white stripe along its side and "SAN FRANCISCO" printed on the front grille. The number "13" is prominently displayed on the front fenders. The truck is equipped with a ladder and emergency lights on top. The background is dark, suggesting it might be night or the photo was taken in low light.

FIRE STATIONS

911 EMERGENCY OPERATIONS

A photograph of a 911 emergency operations center. In the foreground, a person wearing a headset is seated at a desk, working on a computer. The desk is equipped with multiple monitors displaying various information. The room contains several other desks and computer stations, all arranged in a long row. The background shows a wall with framed pictures or maps. The overall atmosphere is one of a busy, professional emergency response facility.

A large, yellow, funnel-shaped emergency siren is mounted on a metal pole against a clear blue sky. The siren has a black speaker grille on its side. The background shows some faint buildings and a utility pole.
